## Announcement! Something New in Little Folks' Wear

We have just received, direct from Berlin, Germany, a special importation of summer clothes for the little folks. While most of the garments are in the nature of "fads," they are entirely new to El Paso and every mother who has a child from 2 to 6 years of age will be interested. The garments are substantially made, in the best foreign wash fabrics, and the amount of service they will give will be really wonderful. The shipment comprises little peasant styles, showing low neck and short sleeves, and little Empire styles made with giraffe. In addition to numerous styles in dresses, one special feature of the shipment is real Dutch play aprons. These are made of madras and galles, and the styles are unique. One particular one is what we will call "The Incorporated" play apron as it carries a real pistol in a holster on the front of the apron. As these garments are entirely new they must be seen to be fully appreciated. Prices range—

Does not take into consideration the one essential to woman's happiness—womanly health.

The woman who neglects her health is neglecting the very foundation of all good fortune. For without health she loses its lustre and gold is but dust.

Womanly health when lost or impaired may generally be regained by the use of Dr. Pierce's Favorite Prescription.

Sick women are invited to consult Dr. Pierce by letter free. All correspondence held as sacredly confidential. Address World's Dispensary Medical Association, R. V. Pierce, M. D., President, Buffalo, N. Y.

**WILSON IS HELD ON MURDER CHARGE**

Was in Juarez Jail and Is Wanted in the State of Nevada.

George Wilson, alias Peter Ralcer-

vich, who is wanted at Reno, Nev., in connection with the murder of a man named Rhostrum, who was killed on

September 21, 1910, was arrested at the Santa Fe bridge by the city detectives

Thursday night, and will be turned over to the officers who will come from Reno to take charge of him.

Wilson, as he was known in this section, came to El Paso about two years ago. He was arrested in El Paso soon after coming here on a charge of vagrancy and served a term of 40 days in the county jail.

A few days after his release from jail, word was received from Reno saying that a man named Ralcer-vich was wanted for murder, and as Wilson, it was claimed, answered the description, the detectives looked him up, finally locating him in Juarez. The Juarez police arrested him on May 7, 1910, and he was held in the Juarez jail while extradition papers were being made out.

After the battle of Juarez, when the prisoners were released, he was among

those who were left at large. Since that time, it is said, he has been connected with the hop joints in Juarez.

Thursday the detectives were given a tip that the Juarez police intended to drive the hop joints out of Juarez, so the detective squad watched the border all during the day. About 8 o'clock Thursday night they saw Wilson coming across the bridge and placed him under arrest.

Wilson, it is claimed, answers the description of the man who is wanted in Reno in every detail, and it is said he has served terms in the Oregon reformatory school and the Folsom penitentiary.

C. P. Ferrell, sheriff at Reno, will arrive in El Paso in the next few days and take the man back to Reno.

**GIRL CAUSES HER FATHER'S ARREST**

Juanita Gainsley, a girl of about 15 years of age, swore out a warrant for the arrest of her father, Jacob H. Gainsley, Friday, alleging that he was insane. She had complained to police Jenkins that she feared her father would kill her, as he had been acting strangely of late, and the chief advised her to swear out a warrant for his arrest.

The man was arrested Friday afternoon and was given a hearing before the justice of the peace. He is confined in the county jail, where he is being held without bond for the present. His case will be taken up in a few days. Gainsley worked as a clerk in Sol Berg's store.
